ARTISTIC RELEASE

I consider it an honor to be a part of your special events! Please review my work to ensure you like my artistic style and abilities. Unlike computer-generated text, the beauty of hand written calligraphy is the natural variation in letter form, so no two pieces will be the same.

As the artist, I remain the sole owner of all artistic rights. Commissioned art is for personal use only. Separate commercial licensing agreements are available.

Prices are current as of 2023 and applicable to all new clients, bulk discounts may be available.
